The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**APPROVAL OF AMENDMENTS TO EXTEND THREE DEPARTMENT OF MENTAL
HEALTH LEGAL ENTITY AGREEMENTS WHICH INCLUDE PROPOSITION A
MENTAL HEALTH SERVICES WITH ENKI HEALTH AND RESEARCH SYSTEMS,
PACIFIC CLINICS, AND SPECIAL SERVICE FOR GROUPS
FOR FISCAL YEARS 2004-2005 AND 2005-2006
(SUPERVISORIAL DISTRICTS 1 AND 5)
(3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Director of Mental Health or his designee to prepare, sign, and execute Amendments to three (3) existing Department of Mental Health (DMH) Legal Entity (LE) Agreements, which include Proposition A (Prop A) mental health services with ENKI Health and Research Systems (ENKI), Pacific Clinics, and Special Service for Groups (SSG), listed in Attachment I and substantially similar in format to Attachment II. The Amendments will extend the term and conditions of the existing LE Agreements for a maximum of two (2) fiscal years, for a total term of the original LE Agreements not to exceed a period of five (5) years. Upon Board approval, the first-year extension of each Agreement will commence on July 1, 2004, and will continue in effect through June 30, 2005; the second-year extension will commence on July 1, 2005, and will continue in effect through June 30, 2006.

The aggregate Maximum Contract Amounts (MCA) for the three (3) LE Agreements, as detailed in Attachment I, will be \$80,589,197 for each Fiscal Year (FY) 2004-2005 and 2005-2006. It is anticipated that the MCAs for FYs 2004-2005 and 2005-2006 may change due to pending budgetary factors, which may impact the funding that is given to the County by the State and/or Federal Government on an annual basis. These agreements permit the County to reduce

the MCAs or terminate the agreements, whichever is applicable, under the terms of the agreements, if, as a result of the adoption of the County budget, funding for the agreements is reduced.

The extension of the three (3) LE Agreements will allow for continuous, uninterrupted services to severely and persistently mentally ill adults and seriously emotionally disturbed (SED) children, adolescents, and their families who reside throughout the County of Los Angeles.

2. Delegate authority to the Director of Mental Health or his designee to prepare, sign, and execute future amendments to these three (3) LE Agreements and establish as a new MCA the aggregate of each original Agreement and all Amendments, provided that: 1) the County's total payments to contractor under each Agreement for each fiscal year shall not exceed an increase of 20 percent from the applicable revised MCA; 2) any such increase shall be used to provide additional services or to reflect program and/or policy changes; 3) the Board of Supervisors has appropriated sufficient funds for all changes; 4) approval of County Counsel and the Chief Administrative Officer (CAO) or their designees is obtained prior to any such Amendment; 5) the Amendments which reduce programs or services are consistent with the principles agreed to in DMH's stakeholder process and FY 2004-2005 Adopted Budget and reflect DMH's final FY 2004-2005 Budget approved by your Board; and 6) the Director of Mental Health shall notify the Board of Supervisors of Agreement changes in writing within 30 days after execution of each Amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

Board approval of contract extensions for ENKI, Pacific Clinics, and SSG is requested to support DMH's goal of a five-year term as originally intended during the FY 2001-2002 Prop A bidders' conference. In addition, Board approval is requested due to the June 30, 2004 expiration of each LE Agreement. The Auditor-Controller and County Counsel have agreed to a two-year extension of the soon to expire three-year Prop A Agreements, provided that a cost analysis is performed with positive results and such contracted funds are budgeted by DMH for FYs 2004-2005 and 2005-2006.

Prop A Cost Analysis

DMH conducted a cost analysis with positive results for each of the three (3) Prop A mental health programs and found that each program can be performed more economically by an independent contractor than by County employees.

The extension of the three (3) LE Agreements for two (2) additional fiscal years, FYs 2004-2005 and 2005-2006, will allow for continuous, uninterrupted services to severely and persistently mentally ill adults, SED children, adolescents, and their families who reside throughout the County of Los Angeles.

Implementation of Strategic Plan Goals

The recommended Board actions are consistent with the County's Programmatic Goal No. 1, "Service Excellence," within the Countywide Strategic Plan. The extension of these LE Agreements will provide the public with access to a continuum of mental health services that are both beneficial and responsive.

FISCAL IMPACT/FINANCING

There is no increase in net County cost. The MCAs totaling \$80,589,197, as detailed in Attachment I, are included in DMH's FY 2004-2005 Final Changes Budget. The amount for FY 2005-2006 will be requested during DMH's annual budget process.

It is anticipated that the MCAs for FYs 2004-2005 and 2005-2006 may change due to pending budgetary factors, which may impact the funding that is given to the County by the State and/or Federal Government on an annual basis. These agreements permit the County to reduce the MCAs or terminate the agreements, whichever is applicable, under the terms of the agreements, if, as a result of the adoption of the County budget, funding for the agreements is reduced.

ENKI

The MCA for FY 2004-2005 is \$21,327,908 which includes \$19,478,874 for the non-Prop A mental health services programs operated by ENKI and \$1,849,034 for the Prop A portion of the LE Agreement. The MCA will be fully funded as follows:

- 1) County General Fund (CGF)/Realignment Total: \$7,377,220
- 2) Intra Fund Transfer (IFT)/State/Federal/Grant/Categorical Total: \$3,127,284
- 3) Federal Financial Participation (FFP): \$7,347,780
- 4) Early Periodic, Screening, Diagnosis and Treatment-State General Funds (EPSDT-SGF): \$3,257,900

5) SB 90 (AB 3632)-SGF: \$217,724

Pacific Clinics

The MCA for FY 2004-2005 is \$47,475,785 which includes \$45,389,719 for the non-Prop A mental health services programs operated by Pacific Clinics and \$2,086,066 for the Prop A portion of the LE Agreement. The MCA will be fully funded as follows:

- 1) CGF/Realignment Total: \$12,488,546
- 2) IFT/State/Federal/Grant/Categorical Total: \$4,193,592
- 3) FFP: \$19,918,818
- 4) EPSDT-SGF: \$10,349,000
- 5) SB 90 (AB 3632)-SGF: \$525,829

SSG

The MCA for FY 2004-2005 is \$11,785,504 which includes \$8,830,502 for the non-Prop A mental health services programs operated by SSG and \$2,955,002 for the Prop A portion of the LE Agreement. The MCA will be fully funded as follows:

- 1) CGF/Realignment Total: \$4,335,194
- 2) IFT/State/Federal/Grant/Categorical Total: \$871,482
- 3) FFP: \$4,592,772
- 4) EPSDT-SGF: \$1,963,400
- 5) SB 90 (AB 3632)-SGF: \$22,656

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The three (3) contractors -- ENKI, Pacific Clinics, and SSG -- presently provide non-Prop A and Prop A mental health services at their respective sites. ENKI was awarded its first Prop A contract in 1988 for services at La Puente Mental Health Center and has continuously provided these services since then. Pacific Clinics was awarded its first Prop A contract in 1991 for services at El Camino Mental Health Center and has continuously provided these services since then. SSG was awarded its first Prop A contract in 1989 for services at the Asian Pacific Counseling and Treatment Center and has continuously provided these services since then.

No layoffs or reductions in County work force or other adverse impacts on employee relations will result from the Prop A contract extensions as mental health services are presently contracted out.

ENKI is a non-profit corporation that complies with County Code Chapter 2.201, "Living Wage Program," by providing an employee health plan and paying an hourly wage of

not less than \$8.32 plus benefits. Pacific Clinics and SSG are exempt from the Living Wage Program because they are non-profit corporations qualified under Internal Revenue Code Section 501 (c) (3).

All three contractors have signed the Living Wage Program and Contractor Non-Responsibility Debarment form attesting to Living Wage Program compliance. The contractors have complied with the labor violations reporting requirements.

These LE Agreements meet all the mandatory requirements of the County Code Section 2.121.380, et. seq., "Contracting with Private Business," for the following reasons:

- 1) The Prop A provisions of each of the LE Agreements remain cost effective as determined by DMH.
- 2) The Prop A provisions of each of the LE Agreements will not impair the County's ability to respond to emergencies. The extension of the LE Agreements will not result in the unauthorized disclosure of confidential information.
- 3) Alternative services will continue to be available in the event of a default by the contractors, therefore, services will not be interrupted.
- 4) The extension of the LE Agreements will not infringe upon the proper role of the County in its relationship to its citizens.
- 5) The LE Agreements will continue to remain in full compliance with all applicable Federal and State regulations.
- 6) Contract monitoring functions will continue to be performed by DMH's Bureau of Standards, Practices, and Conduct Program staff.

The LE Agreements contain termination clauses so that after the County budget is adopted, if there are any funding reductions to these contract agencies, the County can reduce or terminate the LE Agreements.

The LE Agreements also contain standard provisions regarding contractor responsibility and debarment. The three contractors have also certified that they have complied with and will comply with the following: 1) HIPAA Agreements pertaining to Electronic Data Interchange/Direct Data Entry (EDI/DDE) selection, and general requirements and

Trading Partner Agent (TPA) authorization; 2) Preamble for all County Health and Human Services contracts; and 3) notification requirements when expenditures total 75 percent of the MCA and when the term of the Agreement is within six (6) months of expiration.

Upon Board approval, the first-year extension of each LE Agreement will commence on July 1, 2004, and will continue in effect through June 30, 2005; the second-year extension will commence on July 1, 2005 and will continue in effect through June 30, 2006.

The Amendment has been approved as to form by County Counsel. In addition, the proposed actions have been reviewed by the CAO and DMH's Fiscal and Program Administrations.

CONTRACTING PROCESS

DMH has based its recommendations for contract extensions on the availability of funding, positive findings in DMH's cost analysis for each of the Prop A mental health services programs, and knowledge that the contractors are in good standing.

After a November 1, 2000 bidders' conference, and DMH's release of three (3) Request for Proposals (RFPs) for the re-solicitation of three (3) Prop A contracts, your Board approved the award of the LE Agreements on June 19, 2001, which included Prop A mental health services with ENKI, Pacific Clinics, and SSG. These agencies were selected for contract awards based on program utilization, cost effectiveness, and other criteria set forth in the RFPs. The term of the LE Agreements commenced on July 1, 2001 through June 30, 2002, with provisions for two (2) automatic renewals. With this recommended action of a two-year extension, the total term of each Agreement will be five (5) years.

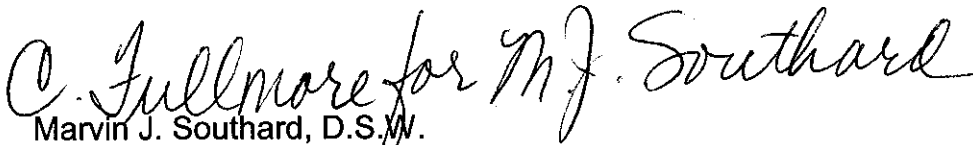

IMPACT ON CURRENT SERVICES

The extension of the three (3) LE Agreements for FYs 2004-2005 and 2005-2006 will allow for continuous, uninterrupted services to severely and persistently mentally ill adults, SED children, adolescents, and their families who reside throughout the County of Los Angeles.

CONCLUSION

The Department of Mental Health will need one (1) copy of the adopted Board's action. It is requested that the Executive Officer of the Board notifies the Department of Mental Health's Contracts Development and Administration Division at (213) 738-4684 when this document is available.

contract are in compliance with their court-ordered child, family, and spousal support obligations in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

(2) As required by County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting Contractor's duty under this contract to comply with all applicable provisions of law, Contractor warrants that it is now in compliance and shall during the term of this contract maintain in compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholdings Orders or CSSD Notices of Wage and Earnings Assignment for Child, Family, or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

9. Paragraph 51 (Contractor Responsibility and Debarment) shall be deleted in its entirety and the following substituted therefor:

“51. CONTRACTORS RESPONSIBILITY AND DEBARMENT: The following requirements set forth in the County’s Non-Responsibility and Debarment Ordinance (Title 2, Chapter 2.202 of the County Code) are effective for this Agreement, except to the extent applicable State and/or Federal laws are inconsistent with the terms of the Ordinance.

A. A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County’s policy to conduct business only with responsible contractors.

B. The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other Agreements which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Agreement, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County Agreements for a specified period of time not to exceed 3 years, and terminate any or all existing Agreements the Contractor may have with the County.

C. The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of an Agreement with the County or a nonprofit corporation created by the County, (2) committed an act or omission which negatively reflects

on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

D. If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

F. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the

Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Hearing Board.

G. These terms shall also apply to subcontractors of County Contractors.”

10. Paragraph 52 (Contractor’s Exclusion From Participation in a Federally Funded Program) shall be deleted in its entirety and the following substituted therefor:

“52. CONTRACTOR’S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM: Contractor hereby warrants that neither it nor any of its staff members is restricted or excluded from providing services under any health care program funded by the Federal government, directly or indirectly, in whole or in part, and that Contractor will notify Director within 30 calendar days in writing of: (1) any event that would require Contractor or a staff member’s mandatory exclusion from participation in a Federally funded health care program; and (2) any exclusionary action taken by any agency of the Federal government against Contractor or one or more staff members barring it or the staff members from participation in a Federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

There are a variety of different reasons why an individual or entity may be excluded from participating in a Federally funded health care program. Sometimes, the exclusion is mandatory and in other cases the Office of Inspector General (OIG) has the discretion not to exclude.

The mandatory bases for exclusion include: (1) felony convictions for program related crimes, including fraud or false claims, or for offenses related to the dispensing or use of controlled substances, or (2) convictions related to patient abuse.

Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to provide access to documents or premises as required by federal health care program officials; (4) conviction of a misdemeanor related to controlled substances; (5) failing to disclose information about the entity itself, its subcontractors or its significant business transactions; (6) loss of a state license to practice a health care profession; (7) default on a student loan given in connection with education in a health profession; (8) charging excessive amounts to a Federally funded health care program or furnishing services of poor quality or which are substantially in excess of the needs of the patients; (9) paying a kickback or submitting a false or fraudulent claim. Persons controlling or managing excluded entities who knew of the conduct leading to the exclusion can themselves be excluded, and entities which are owned and controlled by excluded individuals can also be excluded.

Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any Federal exclusion of Contractor or its staff members from such participation in a Federally funded health care program. Contractor shall provide the certification set forth in Attachment VI as part of its obligation under this Paragraph 52."

11. Paragraph 53 (Health Insurance Portability and Accountability Act (HIPAA)) shall be deleted in its entirety and the following substituted therefore:

The County may withhold said amount until the Contractor has satisfied the County that any underpayment has been cured, which may include required submittal of revised certified monitoring reports or additional supporting documentation.

(b) Liquidated Damages: It is mutually understood and agreed that the Contractor's failure to pay any of its Employees at least the applicable hourly living wage rate will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages
